

We Believe: Confession of the Nicene Creed

Don L. Davis

(Adapted from the Nicene Creed, and

**set to 8.7.8.7. meter: e.g., Joyful, Joyful, We Adore Thee; I Will Sing of My Redeemer
What a Friend We Have in Jesus, Come, Thou Long Expected Jesus)**

**Father God Almighty rules, the Maker of both earth and heav'n
All things seen and those unseen,
By him were made, by him were giv'n!
We believe in Jesus Christ, the Lord, God's one and only Son
Begotten, not created, too, he and our Father God are one!**

**Begotten from the Father, same, in essence, as both God and Light
Through him by God all things were made,
In him all things were giv'n life.**

**Who for us all, for our salvation, did come down from heav'n to earth
Incarnate by the Spirit's pow'r, and through the Virgin Mary's birth**

**Who for us too, was crucified, by Pontius Pilate's rule and hand
Suffered, and was buried, yet on the third day, he rose again
According to the Sacred Scriptures all that happ'ned was meant to be
Ascended high to God's right hand, in heav'n he sits in glory**

**Christ will come again in glory to judge all those alive and dead
His Kingdom rule shall never end, for he will rule and reign as Head.
We worship God, the Holy Spirit, Lord and the Life-giver known
With Fath'r and Son is glorified, Who by the prophets ever spoke**

**And we believe in one true Church, God's holy people for all time
Cath'lic in its scope and broadness, built on the Apostles' line!
Acknowledging that one baptism, for forgiv'ness of our sin
And we look for Resurrection, for the dead shall live again.**

**Looking for unending days, the life of the bright Age to come
When Christ's Reign shall come to earth,
the will of God shall then be done!
Praise to God, and to Christ Jesus, to the Spirit-triune Lord!
We confess the ancient teachings, clinging to God's holy Word!**
